Queridos padres,

Los maestros de segundo grado les dan la bienvenida a todos. Estamos muy felices que su hijo/a estará en nuestras clases. Sabemos que tendrá un año exitoso. Tenemos en cuenta que todo esto es posible cuando el estudiante, el maestro y los padres trabajan juntos.

Todo esto envuelve la necesidad de tener salones listos y organizados, donde los niños aprenderán. Por esa razón, el grupo de maestros, han elaborado una lista de útiles para el año escolar. Para su conveniencia, encontrarán la lista de útiles escolares que su niño/a necesita el primer día de escuela.

El equipo de segundo grado les agradece por su cooperación. Esperamos conocerlos en setiembre. ¡Disfrute el resto del verano!

Dear parents,

The second grade teachers would like to welcome you all. We are very excited and anxious to have your child in our classes. We know your child will be successful this year if we all work together. We believe that if the student, parent, and teacher work together, anything is possible.

Part of working together involves our need of well-organized classrooms, where the children are learning while having fun. To help with this, we have compiled a list of necessary supplies that are vital for the educational process.

For your convenience we, attached a suggested school supply list that each student should have on the first day of school.

The Second Grade Team would like to thank you in advance for your cooperation and support. We are looking forward to meeting you in September. Please enjoy your summer!

Sincerely,

The Second Grade Teachers
