April 18, 2024

Dear Parents/Guardians:

This spring, schools across New Jersey will administer the New Jersey Student Learning Assessment (NJSLA) in English Language Arts (ELA), Mathematics, and Science. The assessments for ELA and Mathematics will be administered to students in grades 3 – 9. The Science assessments will be administered to students in grades 5, 8 and 11.

The NJSLA assessments are statewide assessments that assess students' progress toward the New Jersey Student Learning Standards in ELA, mathematics, and science. The assessments are administered in a computer-based (CBT) format. Students will demonstrate their acquired skills and knowledge by answering selected-response items, constructed response items, and technology-enhanced questions.

With the goal of putting your child in the best position to put forth their best effort, we encourage parents to ensure that:

- Your child is well rested.
- Comes to school with a fully charged device.
- Arrives to school on time each morning.

If your child is late to school, he/she will not be able to take the assessment and will need a makeup date.

If you have any questions, please do not hesitate to visit the New Jersey Assessments Resource Center webpage at <https://nj.mypearsonsupport.com/ForParent/> or contact your child's building Principal.

Thank you for your continued support and dedication to your child's education.

Sincerely,

Katelyn Tivald

Katelyn Tivald
Director of School Counseling & Related Services

Elementary Schools
Grades 3 - 5

Building	Testing Window	Administered Tests	Date
Ceres	April 29 – May 7	Grade 3 ELA	April 29 & April 30
