

Back to School Night

Ms. Williams

Attendance

- Lates and Absences will be documented in Infinite Campus
- Students will be marked late after 5 minutes
- If students need a quick break between classes, please have them sign in FIRST and let me know
- Students must make up the work they missed when they are absent as soon as they can

District Grading Policy

- 60% Tests/Quizzes
- 35% Classwork
- 5% Homework

Code of Conduct

- Students must still follow the Code of Conduct
 - Attendance/Tardies are counted
 - Sit up in front of the camera (No laying down)
 - No inappropriate clothing
 - Respectful language only
 - Avoid eating or drinking

Supplies

Students must bring the following items to class

- Math Notebook
- Pencil
- Calculator
- Textbook (Should be available for pick up soon)

Remote Classroom Procedures

- Students must join Google Meet on time
- Microphone OFF and Camera ON
- Begin the Do Now
- Turn in assignments in Google Classroom- Mark as Done
- Student must tell me if they need to walk away from their computer

Remote Classroom Procedures Cont.

- If a student gets kicked out of the Google Meet
 - Log back in
 - Notify me through Remind, email or Google Classroom if unable to get back in
 - Notify me as soon as possible if you lose internet connection

Classwork

- Classwork is due by 11:59 PM each day
- Videos and notes are provided to assist students who are absent or who lost internet connectivity
- Work will be accepted late. Zeros will be entered in Infinite Campus until work is turned in.
- Late work **MUST** be marked as done in Google Classroom so I know to check for it

Textbook: Glencoe Math

- Students can access their textbook online using their district login
- Student can go to Idportal to access ConnectEd
- Step by step directions to access the online ebook have been posted in the Classwork tab of Google Classroom and listed under Resources
