

Lightning Learners (Grades. 1-3)

This program offers Reading Assistance for Struggling Readers where students will receive further reading support in foundational reading skills such as phonics, decoding, and word recognition to help improve fluency and comprehension. Lightning Learners provides students opportunities to work one-on-one and/or in small groups with the teacher. This program is on an invite basis based on students' needs and program availability.

Math Brilliant Games (Grades 2- 4)

This program focuses on engaging and hands-on activities to support intervention and enrichment needs. The program will use math games to provide students with opportunities to practice math in fun and meaningful ways while encouraging them to practice skills to develop conceptual understanding, build procedural fluency, foster strategic thinking when applying the skill. This program is on an invite basis based on students' needs and program availability.

Creative Crew (Grades 3-4)

This program is designed to integrate Visual Art and Media Arts (Video Production) with Math and ELA. It will provide interested students with the opportunity to learn more advanced level production and design skills/techniques. Students in the Creative Crew Program individually and collaboratively set goals, investigate, choose, and demonstrate diverse approaches to art-making that is meaningful to the makers.

Dynamic Dolphins (Grades 3 & 4)

This club is designed to give students a performance opportunity with peers who want a more rigorous musical experience. The experience will teach students the value of teamwork, responsibility, dedication, and focus, which can be transferred to other subjects besides the arts. Students will have the opportunity to perform on multiple occasions/concerts throughout the year, while cycling through the music of many diverse cultures.

School Spirit Squad (Grades 3- 4)

The program is designed to instill pride, character, and teamwork for our students. School spirit will be promoted at different events throughout the year through cheers, dance routines and other activities. The program will inspire school spirit that promotes a sense of belonging in our school community, unity and pride.

Musical Theater Program (Grades 2- 4)

Arts education has always helped students connect to their creativity, sense of identity, and expression of their voice. This program will offer showcases and spring musical! We are so excited to announce this year's production of Disney's *101 Dalmatians*.
