PUMPKIN PATCH

9:00AM

TUESDAY, OCTOBER 21, 2025

Students will visit our pumpkin patch
and pick a pumpkin to take home!

The background of the entire image is a light beige, textured surface. It is decorated with various autumn-themed items: several pumpkins in shades of orange and white, some whole and some cut; small yellow and orange flowers; and dried, golden-brown wheat stalks. The decorations are scattered around the edges and corners of the image, framing the central text.
