Dear Parents/Guardians,

In accordance with state statute (*N.J.S.A. 18A: 7C-6.6*) all school districts in New Jersey are required to provide parents or guardians by October 1 information pertaining to any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. The Perth Amboy Public School District administers a wide variety of state mandated and commercially developed assessments to the students. If after October 1 it is decided that an additional commercially developed standardized assessment will be administered, the Office of School Counseling and Related Services will notify you.

Please see the enclosed chart of state and commercially developed assessments that shall be administered to students during the 2023-2024 academic year. The chart contains the following information for each assessment:

- Subject Area and Grade Level Tested,
- Information regarding Available Accommodations and Accessibility Features, as detailed in the manual outlining the accommodations and accessibility options for students with Individualized Education Programs (IEPs) or Section 504 plans,
- Whether the assessment is mandated by state, federal, or local district requirements,
- Sample Questions with a provided link to sample items/questions to aid students in practice,
- The maximum allotted time for assessment completion, with the note that most students finish well within the designated time frame,
- Testing Window, indicating the period in which the district will administer the assessment. Precise testing dates will be communicated by the building Principal,
- Results release dates, which will be conveyed by the building Principal upon receipt of information from the New Jersey Department of Education.

If you have any questions, please do not hesitate to visit the attached links or contact your child's building Principal.

Thank you for your continued support and dedication to your child's education.

Sincerely,

Katelyn Tivald

Director of School Counseling & Related Services

Estimados padres/tutores,

De acuerdo con el estatuto estatal (N.J.S.A. 18A: 7C-6.6), todos los distritos escolares de Nueva Jersey deben proporcionar a los padres o tutores antes del 1 de octubre información relacionada con cualquier evaluación estudiantil estatal o evaluación estandarizada desarrollada comercialmente que se administrará en el transcurso del año escolar. El Distrito de Escuelas Públicas de Perth Amboy administra una amplia variedad de evaluaciones obligatorias y desarrolladas comercialmente por el estado a los estudiantes. Si después del 1 de octubre se decide que se administrará una evaluación estandarizada adicional desarrollada comercialmente, la Oficina de Consejería Escolar y Servicios Relacionados le notificará.

Consulte la tabla adjunta de evaluaciones desarrolladas estatal y comercialmente que se administrarán a los estudiantes durante el año académico 2023-2024. La tabla contiene la siguiente información para cada evaluación:

- Materias y nivel de grado evaluados,
- Información sobre adaptaciones disponibles y características de accesibilidad, como se detalla en el manual que describe las adaptaciones y las opciones de accesibilidad para estudiantes con Programas de Educación Individualizada (IEP) o planes de la Sección 504,
- Si la evaluación es obligatoria según los requisitos estatales, federales o del distrito local,
- Preguntas de muestra con un enlace proporcionado a elementos/preguntas de muestra para ayudar a los estudiantes en la práctica,
- El tiempo máximo asignado para completar la evaluación, con la nota de que la mayoría de los estudiantes terminan bien dentro del plazo designado,
- Periodo de evaluación, que indica el período en el que el distrito administrará la evaluación. Las fechas precisas de las pruebas serán comunicadas por el Principal del edificio,
- Fechas de publicación de resultados, que serán transmitidas por el Principal del edificio al recibir información del Departamento de Educación de Nueva Jersey.

Si tiene alguna pregunta, no dude en visitar los enlaces adjuntos o comuníquese con el Principal del edificio de su hijo/a.

Gracias por su continuo apoyo y dedicación a la educación de su hijo/a.

Sinceramente,

Katelyn Tivald

Directora de Consejería Escolar y Servicios Relacionados
