Re: School Uniforms

Dear Vendor:

It has come to our attention that your company sells school uniforms to students attending public schools in grades K through 12.

We have included a price sheet where you can list all items you offer and that are available to students at Perth Amboy Public Schools.

If you complete and return the attached sheet, we will include your information in our new school year correspondence sent to all parents and guardians. We will also send you contact information where you can obtain the necessary design/graphic files to assist you in efforts to place the logo on each item.

We ask only that if your prices change throughout the year, you notify us of the change, so we can keep our information up to date and present accurate information to our parents and community.

Thank you for your efforts.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. LoBrace", is written over a circular blue stamp that partially overlaps the "Sincerely," text.
