

Special Education Advisory Group

Department of Special Services, Perth Amboy Public Schools

Join Us!

If you would like to become a member of SEPAG, please reach out to Dr. Jessica Neu, Director of Special Services or use the [sign-up Google Form](#).

Phone (732) 376-6206

Email: jneu@paps.net

What is SEPAG?

SEPAG is a parent led advisory group. The purpose of the group is to provide parents/guardians with opportunities to offer input on District programs, services and other systemic issues pertaining to students with disabilities. Other committee members also includes a diverse group of district staff, administration, community members, and students.

Please RSVP (call or email) if you will attend in person. Face coverings must be worn at all times. All CDC guidelines will be followed.

SEPAG meets between 2-4 times per year. Meetings are held during the day and in the evening. All meetings will take place in person with an option for virtual participation. Light refreshments will be served. Translation is also provided. If you would like to participate and require an accommodation, kindly let us know how we can assist.

Join in person or use link:
