Dear Parents and Guardians,

As we prepare for the upcoming school year, there have been many questions regarding the procedures surrounding remote instruction. Please understand we are doing everything possible to ensure the academic integrity, safety and well-being of our school community.

In an effort to provide our students with the most robust educational experience, we have worked hard to have our students adhere to an academic schedule that closely mirrors the same schedule that all children in previous years in the Perth Amboy Public schools followed. Please be advised your child will have a full academic schedule for the 2020-2021 school year.

All students will have access to their schedule on August 24th, 2020 and all classes will start remotely on Tuesday, September 8, 2020. In order to access your student's schedule, you must log in to your parent portal on Infinite Campus.

For first time Parent Portal users: [Click Here](#).

For parents who have logged in previously to the Parent portal, please [Click Here](#) to update your personal information.

As outlined in the schedules you will receive in your emails, period 1 commences at 8:00 am.

More information will be provided in the following weeks, including remote instruction guidelines, student expectations for attendance, Google Classroom codes, material distribution, and other important information.

Thank you and Best Regards!

Francisco Vélez
