Dear Perth Amboy School District Community,

The letter from the Superintendent of Schools sent on Thursday July 2, 2020 was intended to provide updates on different topics and to inform the school district community about two committees that have been created (Restart and Recovery Education Committee and the Enhancing Teaching Tolerance, Cultural Relevance and Social Justice Committee).

Please note that the links to the letters were shared with you for informational purposes only and not as an invitation to serve in the committees.

The district has already reached out and invited committee members. Please note that as indicated in the Superintendent's letter, we can only allow for a limited number of people.

“Due to the pandemic and social distancing guidelines, a limited number of individuals will be attending this meeting. We have included various stakeholders and elected officials of the Perth Amboy community to ensure we have broad and equitable representation.”

Thank you for your continued support and understanding.

Sincerely,

*Dr. Vivian Rodríguez*

Estimado miembro de la comunidad,

La carta del Superintendente de Escuelas que fue enviada el jueves 2 de julio de 2020 tenía la intención de proporcionar información sobre diferentes temas e informar a toda la comunidad escolar sobre dos comités que se han formado (Restart and Recovery Education Committee and the Enhancing Teaching Tolerance, Cultural Relevance and Social Justice Committee).

Tenga en cuenta que los enlaces a las cartas se compartieron con usted solo con fines informativos y no como una invitación para servir en los comités.

El distrito ya contactó e invitó a los miembros de los comités. Tenga en cuenta que, como se indica en la carta del Superintendente, solo podemos permitir un número limitado de personas.

“Debido a las pautas de distanciamiento social, un número limitado de personas asistirá a cada comité. Hemos incluido diversos miembros y funcionarios electos de la comunidad de Perth Amboy para garantizar que tengamos una representación amplia y equitativa.”

Desde ya muchas gracias por su continuo apoyo y comprensión.

Sinceramente,

*Dr. Vivian Rodríguez*
