Dear Perth Amboy School District Community,

Welcome to the 2021-2022 school year! I hope everyone had a great first day of school. Together, we have collaboratively established many wonderful opportunities for our students over the last six years. As I walked through the school buildings this morning greeting students and staff, all of the wonderful things happening in our District were self-evident. Our schools look beautiful and cared for, and all of our staff were carefully attending to students.

I wanted to share some of the following pictures (link below) depicting our amazing and eager students returning to in-person learning.

Looking forward to another productive school year.

Sincerely,

9/7/2021

Dr. David A. Roman
