Thursday, December 30, 2021

Dear Perth Amboy School Community,

As discussed in a prior email from Dr. Roman, the Perth Amboy School District will resume instruction remotely beginning on Monday, January 3, 2022. Below you will find important information related to instruction and operations during those two weeks:

Curriculum and Instruction:

- ✓ As stated in our previous letter, all students (with the exception of Pre-K) will follow their normal full day schedule. Pre-K students will follow an abbreviated schedule that is age appropriate. More information will be sent to you from the Pre-K Principals.
- ✓ All students have been issued a Chromebook or iPad and will receive links to his/her classes via Google Classroom from his/her teacher.
- ✓ We have identified students in need of Mi-Fi devices to allow them to access the Internet and receive instruction. If you are a new student who requires a Mi-Fi device, please immediately contact your school Principal, or complete the form on your school's webpage.
- ✓ Credit recovery courses at the high school will continue during before and after school hours. Students in those credit recovery classes will receive a link from their teacher.

Parent Conferences/After School Programs:

- ✓ Any parent conferences scheduled for the week of January 3, 2022, or January 10, 2022, will be postponed and held at a later time. We will communicate with all parents and staff of the new parent conference dates.
- ✓ After school programs will continue to run remotely during this time. Students will resume after school programs on Tuesday, January 4, 2022. Staff will use Monday, January 3, 2022, to prepare for remote after school activities.
- ✓ Clubs and activities will also resume on Tuesday, January 4, 2022. Staff will work with their principals and students to coordinate meeting times.

Food Services:

- ✓ Grab and Go style breakfast and lunch will be served at **every school site** with the exception of the Dual Language School in Fords. Meals will be available between the hours of 10:30am to 1:30pm Monday-Friday. Students and families can come to the school closest to their home and pick up a quality meal

during this time. All COVID protocols must be strictly adhered to when picking up meals. If you are unable to pick up a meal, and require one please contact your principal for further assistance.

Transportation:

- ✓ Transportation services will continue for students who attend out of district schools. Our transportation department will also be fully functioning and available to meet the needs of our school community.

Security:

- ✓ Our security team will be at each building ensuring that our staff is safe.

Athletics:

- ✓ As of today's date, there are no plans to cancel winter sports. The one parent/guardian guideline that is currently in place will continue. We will continue to monitor the situation and communicate any changes through our athletic website. If you have any questions or concerns, please feel free to contact the Athletic Department.

Sincerely,

Delvis Rodriguez
