Dear Parents/Guardians,

We hope this communication finds you and your family well. Due to the current situation with the COVID 19 pandemic, we have had to re-evaluate our services to ensure the optimal safety and security for all our students and staff. Therefore, modifications have been made to transportation services for ESL/Bilingual students and programs. Unfortunately, the district will not be able to provide any courtesy transportation to students attending the Dual Program at the Rose M. Lopez Elementary School for the 2020-2021 school year. Services will only be provided for the following mandated areas:

- Dual Language Students Attending the Out of District School in Fords
- Special Education Students Attending Out of District Schools
- Special Education Students Attending in District Schools
- Mandated Transportation for Students with 504 Plans
- Mandated Transportation for Displaced Students
- Mandated Transportation for Vo-Tech Students
- Mandated Transportation for Students in Hazardous Zones (K-8)

We apologize for the inconvenience. Thanks in advance for your understanding and support.

Thank you,

Dr. Vivian Rodríguez
