

PERTH AMBOY PUBLIC SCHOOLS

Dr. David A. Roman
Superintendent of Schools

The City of
PERTH AMBOY
Helmin J. Caba, Honorable Mayor
& City Council Members

March 19, 2021

Dear Staff,

The Perth Amboy School District, in collaboration with the City of Perth Amboy, the Middlesex County Health Department, and Hackensack Meridian Health Raritan Bay Medical Center in Perth Amboy, are excited to share that we have secured some vaccines for our Perth Amboy Public School District staff.

The allotment of vaccines will be in increments. Our first allotment is being offered to our staff as early as the week of Monday, March 22, 2021. Other allotments will be offered every week soon thereafter.

We apologize for the short notice, but certainly welcome the opportunity to quickly get these vaccines in the hands of those who need it the most. We will be working closely with the City of Perth Amboy's Office of Emergency Management to confirm the vaccination schedule at Hackensack Meridian Health Raritan Bay Medical Center in Perth Amboy and we will contact you via telephone to advise you of our appointment.

We will be contacting those folks who stated in our survey that they were interested in receiving the vaccine through the district. Our Human Resources department will call staff based on priority groups already pre-established using other national vaccine related protocols.

We would like to thank collectively the Middlesex County Health Department and the Hackensack Meridian Health Raritan Bay Medical Center for their efforts, and look forward to this partnership as we work to get our staff vaccinated in the very near future.

Respectfully,

A handwritten signature in blue ink, dated 3/2021.
