Parents/Guardians,

We hope this letter finds you well and safe.

Our goal at Perth Amboy High School is to provide your children with a high quality educational secondary experience and to obtain a high school diploma. To support this goal, we want to communicate two specific programs that will commence on Monday, December 14th after school hours.

The first program is our *Portfolio Appeals Process* for students scheduled to graduate in Spring of June 2021, who have not met the state graduation requirements in either English (ELA) or Mathematics. To fulfill the assessment component of the NJ high school graduation requirements, a student must demonstrate proficiency in both English (ELA) and Mathematics. The schedule is as follows:

Start Date: Monday, December 14th, 2020

CAMPUS	HOURS OF OPERATION	LOCATION
Virtual Campus	Monday - Friday 3:10 pm - 4:10 pm	Google Classroom Meets

The second program is our *Credit Recovery Program*. The purpose of this program is to give students the opportunity to earn credit in a course previously taken. Through our credit recovery program students are given an opportunity to receive more individualized instruction to demonstrate proficiency towards the New Jersey Student Learning Standards (NJSLS). Students can recover credit for one course over a five (5) week period. The schedule is as follows:

Start Date: Monday, December 14th, 2020

CAMPUS	HOURS OF OPERATION	LOCATION
Virtual Campus	Monday - Friday 3:10 pm - 5:40 pm	Google Classroom Meets

---

We want to provide all graduation eligible students the opportunity to graduate on time in June 2021 and we will continue to work hard on behalf of your children. Please note that in some cases, students may have to do both credit recovery and the portfolio process in a specific sequence, throughout the year as needed. Your child will receive instructions from his/hers guidance counselors/administrators on which program they must complete and in what order.

Please feel free to reach out with any questions or concerns.

Regards,

Principal - Michael Heidelberg

Principal - Francisco Velez
