

We LOVE the 100th Day!!

Let's Celebrate
a Day of Love &
100 Days of
Learning...

School Spirit Day!!

You may dress up as a 100
year old person, wear a 100th
day shirt or show your LOVE by
wearing red or pink!!!

The background is a light pink color with scattered gold and red confetti. On the left side, there are several hearts of different shades of pink and red, some on thin vertical stems. The hearts are arranged in a vertical line, with some overlapping. The overall theme is celebratory and romantic.

Nos encanta el día 100 de clases
