The screenshot shows a mobile application interface for viewing grades. At the top, there is a green header with a menu icon, a notification bell with '9+' alerts, and a user profile icon. Below the header, the title 'Grades' is displayed. A navigation bar shows 'All Terms' with buttons for terms 1, 2, 3, and 4. Term 1 is selected, with the date range 'Term 1 (09/08 - 11/18)' and a 'Settings' dropdown menu. The main content area lists three subjects: Art 4, Health 4, and Language Arts 4. Each subject has a 'Progress Report' and a 'Marking Period' section, both showing a letter grade and a percentage. Health 4 also includes a 'Final Grade' section. The 'Marking Period' for Health 4 includes a note about cooperative work in class.
