Melissa España
Principal

Dear, Parents, Guardians and Students,

I hope this letter finds you and your family well. I want to first and foremost thank all the parents and guardians that are working diligently in assisting their children during this unprecedentedly remote learning time. Teachers and Administrators understand the effort that is needed to help and guide your children in their remote learning, and we appreciate all the work you are putting into this endeavor.

Please keep in touch with your teachers through their emails and continue to explore the district website for vital information on our schools. There are specialized links on the websites for Parents/Guardians and Students that can assist in navigating your questions and concerns.

We also have a separate website for Shull, that shares our remote learning experiences, important information and updates and information on our virtual events.

If you need to reach out to me please feel free to contact me at mespana@paps.net. I continue to think of all of you and wish you good health and safety during this time.

My deepest regards,

Melissa España
