

2020-2021 Shull School Physical Education and Health Student of the Month

PERTH AMBOY PUBLIC SCHOOLS

HEALTH & PHYSICAL EDUCATION DEPARTMENT

Every month, each of our Physical education team members will pick a student that shown to be a Shull School PE star! This student may have chosen to be kind, gone the extra mile in class, or made sure that their teachers and peers know that they are hard working no matter what challenge is presented to them. Don't worry students, we see you! Even if for now, we can't be with you.

Remember, we're all in this together!
