

# Awesome October Employees: Enmanuel Collado & Miguel Velez!

Teachers and staff of the 9th grade program at Perth Amboy High School clearly have a sixth sense when it comes to recognition for the monthly “Keys to Excellence” award. As it happens, October 2nd is National Custodial Worker’s Recognition Day. As it happens, custodians Enmanuel Collado and Miguel Velez are October’s winning duo for Outstanding Employee of the month!

Much appreciation was expressed for these two “diligent men” for keeping our workspaces clean and the school “looking its best.” As they move behind the scenes keeping operations running seamlessly, veteran staff note: “I have never seen any custodians work as hard and as well as they do.” Head custodian Enmanuel “Manny” Collado and his quiet but capable partner, custodian Miguel Velez, work daily behind the scenes to create a sparkling and tidy atmosphere. They are “always willing to go the extra mile to help others” and make up a vital piece of the PAHS puzzle, the all-important first impression. As outsiders walk in our door, Manny and Miguel’s efforts come through: “They completely changed the look of this school since day 1; without them this school would not look as good as it does.”  
Congratulations!
