- Mr. Chavez reported that the winter and spring sports pep-rally will take place on May 10th.
- He was a participant in the high school musical 9 - 5. It was a good time and it was his last performance and he may at some point in the future pursue acting in a larger form.
- Two members from character.org visited the high schools to determine if it would be awarded the Prestigious Honor. It was a very good visit.
- The sophomore class won the King of the Court and while the seniors were upset, they look forward to extracting their revenge at Armageddon.
- The Spring Concert was a very good event filled with a lot of emotion for the seniors who performed their last event.
- The State House visit for the Leadership Council was a great experience. We spoke to many of our legislatures and others who worked there and we look forward to continuing this.
- The high school was a runner up for the Sandy Hook National Say Something Campaign.
- There was an open mic activity held in the media center during lunch periods where students read poems and provided other inspirational notes.
- The Culinary Arts class recently sponsored a chopped competition for our students. The parents and teachers were the judges. The students had to prepare items with all of the ingredients given and it was a great experience and we hope that it continues.
- Recently teachers have been working with students on breathing and meditating exercises to help students ease their stress and learn how to control their stress and anxiety, especially because this is a very stressful time of the year.

C. Superintendent's Report – Dr. David A. Roman

"During National Teacher Appreciation Week, I would like to take this opportunity to express my sincere gratitude to the faculty of Perth Amboy Public Schools. You all play a vital role in working to improve the lives of our students and your commitment to your profession as educators has helped to establish safe and nurturing learning environments for students. Through your devotion and dedication to our students, the District's graduation rate continues to increase along with our standardized test scores. These measurable strides exemplify your daily efforts!

Your direct efforts are enriching the instructional opportunities for all students. Whether you are a preschool teacher, elementary teacher, secondary teacher, or guidance counselor, we should all be proud of these accomplishments. This is an exciting time for our District with a multitude of robust initiatives underway that are positively impacting student successes. Our Communications Academy, for example, is entering its second year and in September, we will be ready for the opening of the Health Sciences Academy and the new Rose M. Lopez Elementary School (the only stand-alone Dual Language School in the State of New Jersey). While these changes could seem daunting, I know that we are up for the challenge.

Once again, thank you for all of your daily efforts, and know that what you do to improve the lives of students greatly matters."

- Mr. Massopust asked about items in our schools that may have historical value being forgotten and discarded and asked that prior to items being discarded if these items could be reviewed to determine their historical significance and if anybody would want them.
- Mr. Massopust was thanked for bringing this to our attention and this will be discussed at our next policy committee and leadership meeting to inform the leadership and also check to see if there is any language in our current policies that could pertain to this.
- Ms. Lebron thanked everyone for the invitations that the board receives to different events that happen throughout the year. She recently received an invitation to the National French and Spanish World Language Honor Society Ceremony taking place at 6:30 pm on May 15th. Thank you for the invite and please keep them coming.
- Ms. Vazquez said that at her other job she works as the relocation officer for the city and she has to deal with relocation of citizens when disasters and tragedies happen. She's working with the fire victims of the city from two fires that happened this past week. Students were displaced and the out pouring of help can't go unnoticed. The teachers and the staff in this district go above and beyond and she thanked them because they are caring and passionate. The students look to you for support and that's beyond your job expectations.
- It was stated that during the next ½ day professional day we're going to have a Denim Day and all the money raised will go towards the families affected by these fires.
- Mr. Puccio stated that the Vice President down plays her role with the city, but she is at the forefront helping families and he tips his hat to her. He also recognized Mr. Iglesia during Teacher Appreciation Week since he is a teacher.
- Mr. Iglesia thanked everyone and thanked all the teachers. We have a very challenging job.
- Mr. Martinez raised a question about active shooters. This is a topic that will not go away. Just recently there was another shooting in Colorado. He works with the aftermath of active shooters and asked how many defibrillators do we have in each building. Do we have the proper tunicates and triage bandages in our first aid kits? What is our policy on reuniting students with their parents in the aftermath of tragedy?

23. New Business (continued)

- Ms. Southward and Mr. Kacso recently attended security seminars. Pretty soon you will see a comprehensive document regarding safety and security protocols for the district with recommendations from the AG's office. When something happens the police department is in charge of the crime scene and they secure the school. The EMT's are in charge of the casualties. With regards to a Reunification Plan, we have a uniform method on how to deal with the situation because the situations are fluid.
- Mr. Convery thanked all the faculty because the teachers do change lives and he appreciates what they do. He wished every mother a Happy Mother's Day.
- Ms. Marquez-Villafañe thanked the faculty for all that they do and this is every day, not just for this week.
- She then spoke about the student rep. who mentioned something about Sandy Hook and it touched her, because she started her high school career on home instruction. There was an issue with the system. She watched TV and saw a school shooting. She recognized a name and contacted her family to see if it was a relative and it was. Hearing that Sandy Hook had recognized our high school is special. Congratulations.

Congratulations on your retirement. The Board of Trustees, at their regular meeting on April 4, 2019, approved your application for Early-55+ Retirement effective July 1, 2019. (In accordance with your selection of the maximum retirement option which provides no survivor's benefit).

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. Also, your first check cannot be mailed until after this thirty day period. However, the benefit will be retroactive to the original effective date of your retirement. Please allow an additional period for the disbursement and delivery of the check by the federal postal authorities.

Donor Agreement# SBYSP – 20AFMP

PUBLIC DONOR AGREEMENT

AGREEMENT between The Jewish Renaissance Foundation (the "Provider Agency") and The Perth Amboy Board of Education (the "Donor").

WHEREAS the New Jersey Department of Children and Families (the "Department") has been duly designated to administer or supervise the administration of social service programs, as defined in the New Jersey State plans for social services; and

WHEREAS, the Department desires that the Provider Agency deliver services and the Provider Agency has agreed to deliver services; and

WHEREAS, the Department's policies establish that resources donated by a public donor in the form of cash or In-Kind Contributions (as defined below) may, under certain conditions, be used as match in the provision of social services; and

WHEREAS, the Donor wishes to make a donation to support social services;

THEREFORE, the Provider Agency and the Donor agree to the following terms and conditions:

1. Definitions - For the purposes of this document, the following terms, when capitalized, shall have meanings as stated:
 - A. Donated Resources means the total donation made by the Donor as match. Donated Resources may include cash donations and/or In-Kind Contributions.
 - B. In-Kind Contributions means property or services (except the services of volunteers) which benefit the contract program and which are contributed by a public entity without charge to the Provider Agency. Included as In-Kind Contributions are public contributions formerly designated as CCE (Certified Cash Expenditures). All In-Kind Contributions under this agreement are listed as Attachment A to this agreement.
2. Term This agreement shall begin on July 1, 2019 (date), and shall terminate on June 30, 2020 (date), barring any outstanding obligations of either party.
3. Donated Resources - The Donor agrees to provide Donated Resources in an amount totaling \$86,620.00 to the Provider Agency.
4. Provision of Donated Resource - During the term of this agreement, Donated Resources shall be contributed by the Donor to the Provider Agency as follows:

Payment (s)	Date Due	Cash	In-Kind*	Total
	7/1/19		\$86,620.00	\$86,620.00
	TOTAL		\$86,620.00	\$86,620.00

* See Attachment A for In-Kind Contributions.

5. Administrative Control of Donated Resources - Except for the allowable Donor restrictions contained in paragraph 6 of this agreement, all Donated Resources contributed in cash to the Provider Agency under this agreement are donated on an unrestricted basis. This is to ensure that Donated Resources are under the administrative control of the Provider Agency. The Donor understands that if any portion of the donation is made as In-Kind Contributions, Attachment A to this agreement will be submitted with the agreement to vouch for the validity of these costs.

6. Donor's Restrictions –

The Donor restricts the use of Donated Resources as follows:

Type of Service: Facilities/Supplies for three (3) sites:

Site #1: Main Campus, 300 Eagle Ave., Perth Amboy, NJ - \$63,120

SBYSP Suite 540 sq. ft

SBYSP Back Office 340 sq. ft.

Site #2: East Campus, 680 Catherine St., Perth Amboy, NJ - \$11,500

Site #3: South Campus, 351 Mechanic St., Perth Amboy, NJ - \$12,000

Service Contract Title:

Service Contract#: SBYSP-20AFMP

7. Provider Agency's Obligations - In consideration of the resources donated, the provider Agency agrees to use the Donated Resources in accordance with the restrictions contained in paragraph 6 of this agreement. The Provider Agency represents that the opportunity to honor the Donor's restrictions in the provisions of social services is available.

It is understood that the provision of services is subject to federal and State laws and administrative regulations and that services will be provided in a manner necessary to ensure compliance.

Upon request from the Donor, the Provider Agency shall make available to the Donor the annex(es) to the service contract specified in paragraph 6 of this agreement. In addition, upon request from the Donor, the Provider Agency shall make available to the Donor its reports to the State agency covering levels of service and program expenditures under the service contract. The Provider Agency shall not release confidential materials or information concerning persons served under the service contract.

8. Donor's Obligation - It is the Donor's obligation to provide the Donated Resources in the amount(s) and as scheduled in paragraph 4 of this agreement. The Donor understands that failure to meet the payment schedule in paragraph 4 of this agreement may result in the Provider Agency being unable to claim sufficient reimbursement to fund its social service program.

The Donor's obligation to provide the Donated Resources as specified in paragraph 4 of this agreement shall not be contingent upon the Donor's ability to produce sufficient In-Kind Contributions. The Donor agrees that if sufficient In-Kind Contributions are not available to meet its obligation to the Provider Agency, the balance of the donation will be paid in cash before this agreement terminates.

In cases in which In-Kind Contributions are made, the Donor agrees to submit to the Provider Agency monthly written reports attesting to the value of the In-Kind Contributions as they are applied to the social service program. The Donor understands that this report is required by the State agency as documentation of program expenses.

9. Donor's Representations - The Donor represents that the Donated Resources are not currently being used to match expenditures in another program.

In cases in which In-Kind Contributions are made, the Donor also represents that the value of the In-Kind Contributions listed in Attachment A to this agreement fairly represents their value to the social service program.

10. Indemnification - The Donor indemnifies and holds the Provider Agency harmless for any loss or disallowance of reimbursement that the Provider Agency may suffer due to the inaccuracy of any statement made in this agreement by the Donor.
11. Audit - The Donor agrees to cooperate in any audit of the source of the Donated Resources. An audit may be conducted by or on behalf of the Provider Agency, the Department, or the federal government.

The Donor understands that such an audit may include the sources of cash and/or In-Kind Contributions. The Donor further understands that it is responsible for maintaining sufficient documentation to support each kind of donation.

12. Entire Agreement - This document contains all the terms and conditions agreed to by the Provider Agency and the Donor. Any amendment or modification of this agreement must be approved by the Department.
