October 5, 2017

RESOLUTION OF THE PERTH AMBOY BOARD OF EDUCATION COUNTY OF MIDDLESEX
STATE OF NEW JERSEY INVOKING
THE DOCTRINE OF NECESSITY

WHEREAS, the School Ethics Act, N.J.S.A. 18A:12-21 *et seq.* was enacted by the New Jersey State Legislature to ensure and preserve public confidence in school board members and school administrators, and to provide specific ethical standards to guide their conduct; and

WHEREAS, questions arose regarding how a Board should invoke the Doctrine of Necessity when a quorum of a Board of Education has conflicts of interest on a matter required to be voted upon; and

WHEREAS, the School Ethics Commission ("Commission") provided guidance in Public Advisory Opinion A03-9 (April 1, 1998); and

WHEREAS, the opinion set forth that, when it is necessary for a Board to invoke the Doctrine of Necessity, the Board should state publicly that it is doing so, the reason that such action is necessary, and the specific nature of the conflicts of interest; and

WHEREAS, the School Ethics Commission, by resolution dated February 25, 2003, clarified and required a Board of Education invoking the Doctrine of Necessity to adopt a resolution setting forth that they are invoking the Doctrine, the reason for doing so, and the specific nature of the conflicts of interest; and

WHEREAS, the School Ethics Commission further directed Boards of Education that invoke the Doctrine to read the resolution at a regularly scheduled public meeting, post it where it posts public notices for thirty (30) days, and provide the Commission with a copy; and

WHEREAS, the Perth Amboy Board of Education ("Board") needs to vote on the approval of a sidebar agreement with the Perth Amboy Federation/AFT for the provision of a stipend for School Related Personnel who hold a Master's Degree and needs to vote on the appointment of a District Supervisor of Mathematics; and

WHEREAS, the Board Attorney, Isabel Machado, Esq., has reviewed the advisory decisions of the Commission and determined that board member conflicts would otherwise prohibit six (6) of the eight (8) Board members from voting on the sidebar agreement with the AFT or voting on the Supervisor's appointment; and

WHEREAS, the School Ethics Commission requests that each Board member provide the specific relation and the employment of that relation in the District; and

WHEREAS, board member Obdulia Gonzalez has a sister-in-law who is employed as a paraprofessional for the District; and

WHEREAS, board member Manuel Nunez has a niece who is employed as a teacher for the District; and

WHEREAS, board member Randy Convery has a mother who is employed as a paraprofessional for the District; and

WHEREAS, board member Milady Tejada has a brother who is employed as an administrator for the District; and

WHEREAS, board member Junior Iglesia has a sister-in-law who is employed as a paraprofessional and a wife who is employed as a teacher for the District; and

WHEREAS, board member Tashi Vazquez has a cousin employed as a para-professional, a cousin employed as a teacher, and an aunt employed as a confidential secretary for the District; and

WHEREAS, the inability of the above six (6) board members to vote on the sidebar agreement and the supervisor's appointment results in there being a lack of quorum; and

WHEREAS, the Board desires to invoke the Doctrine of Necessity, in accordance with the procedures established by the Commission in order to vote on the approval of a sidebar agreement with the AFT for the provision of a stipend for School Related Personnel who hold a Master's Degree and in order to vote on the appointment of a District Supervisor of Mathematics.

NOW, THEREFORE, BE IT RESOLVED, by the Perth Amboy Board of Education, County of Middlesex, State of New Jersey:

- 1. That the six () board members, as noted above, are in conflict and the Board invokes the Doctrine of Necessity to vote on the approval of a sidebar agreement with the AFT and to vote on the appointment of a District Supervisor of Mathematics.

- Public member #1 - stated that she's a Rutgers student taking classes in public administration and she must attend Board of Education meetings as part of her classes. She asked when are there other instances when the Doctrine of Necessity is to be used.
- Public member #2 - read a letter that she sent to Eddie Trujillo regarding a Day Care Center that she is looking to open in Kings Plaza. The day care center will be for children from 6 to 8 weeks of age up to three years old. She requested to use the playground in the Peterson School.

17. Open to the Public (continued)

- Dr. Roman answered the question posed by public member #2 and stated that we are actively involved with the communication in the district regarding space. A lot of the speaker's statements resonate with the board and the administration. We have a meeting with the city and the Diocese next week to discuss space and then we'll be able to provide an answer.
- Dr. Roman addressed the question posed by public speaker #3 and stated that the issue is with student teachers coming in and being videotaped. We need to discuss this with the AFT and the attorney because we need to make sure that it is done correctly.
- Ms. Vazquez then thanked the staff, students, and faculty for their support in the relief efforts for Puerto Rico. The city collected over 200 pounds of water, food, and goods, which are being shipped to Puerto Rico. We are also having ongoing discussions of what would happen next for the people who will relocate here.
