He discussed their many accomplishments and contributions to the District and acknowledged Dr. Mast’s role as President of PAASA.

The Superintendent continued by discussing the details included in the preliminary budget being approved this evening and the process of arriving at the final budget in May. He thanked the Board, the Administration and staff for all their hard work and dedication.

He announced the movement into the State Health Plan and that retirees will not be affected. He continued, this move has saved possibly in excess of 300 positions and acknowledged working with the AFT and PAASA during this process.

He pointed out the District’s ability to function at a high rate with less financial resources than neighboring Districts. Dr. Medina informed the public of the Dual Language School being recognized by US News and World Report. He also announced the high inclusion rate for Special Education students.

Dr. Roman continued by announcing a tax rate increase of approximately \$276.00 per year, \$23.00 per month after 11 years of no tax increases, which is no longer prudent nor sustainable.

Dr. Roman then discussed the changes to the 24-25 calendar, namely the addition of 3 additional days off to capture unused snow days.

Lastly, the Superintendent announced the relocation of the Dual Language School to Eagle Ave for 1 year, before being moved to its new home the following year, along with the final transition of the Elementary schools, also during the following year.

HIGH SCHOOL GRADUATION (M)**5460 HIGH SCHOOL GRADUATION (M)****M**

The Board of Education will recognize the successful completion of the secondary school instructional program by the award of a State-endorsed diploma certifying the student has met all State and local requirements for high school graduation in accordance with N.J.A.C. 6A:8-5.1 et seq.. The Board will annually certify to the Executive County Superintendent each student who has been awarded a diploma and has met the requirements for graduation.

As defined in N.J.A.C. 6A:8-1.3, “credit” means the award for the equivalent of a class period of instruction, which meets for a minimum of forty minutes, one time per week during the school year or as approved through N.J.A.C. 6A:8-5.1(a)2 and A.1.b. below.

A. High School Graduation Requirements – N.J.A.C. 6A:8-5.1

1. For a State-endorsed diploma, the Board shall develop, adopt, and implement graduation requirements that prepare students for success in post-secondary degree programs, careers, and civic life in the 21st century, and that include the following:

- a. A graduating student must have earned a minimum of 120 credits in courses designed to meet all of the New Jersey Student Learning Standards (NJSLS), including, but not limited to, the following credits:

- (1) At least twenty credits in English language arts aligned to grade nine through twelve standards;
- (2) At least fifteen credits in mathematics, including Algebra I or the content equivalent; geometry or the content equivalent; and a third year of mathematics that builds on the concepts and skills of algebra and geometry and that prepares students for college and 21st century careers;
- (3) At least fifteen credits in science, including at least five credits in laboratory biology/life science or the content equivalent; one additional laboratory/inquiry-based science course, which shall include chemistry, environmental science, or physics; and one additional laboratory/inquiry-based science course;

- (4) At least fifteen credits in social studies, including satisfaction of N.J.S.A. 18A:35-1 and 18A:35-2; five credits in world history; and the integration of civics, economics, geography, and global content in all course offerings;
 - (5) At least two and one-half credits in financial, economic, business, and entrepreneurial literacy;
 - (6) At least three and three-quarters credits in health, safety, and physical education during each year of enrollment, distributed as 150 minutes per week each year, as required by N.J.S.A. 18A:35-5, 18A:35-7, and 18A:35-8;
 - (7) At least five credits in visual and performing arts;
 - (8) At least five credits in world languages or student demonstration of proficiency as set forth in N.J.A.C. 6A:8-5.1(a)2ii(2) and A.1.b.(2)(b) below;
 - (9) Technological literacy, consistent with the NJSLS, integrated throughout the curriculum;
 - (10) At least five credits in 21st century life and careers, or career-technical education; and
 - (11) Electives as determined by the high school program sufficient to total a minimum of 120 credits.
- b. The 120-credit requirement set forth in N.J.A.C. 6A:8-5.1(a)1. and in A.1.a. above may be met in whole or in part through program completion of a range of experiences that enable students to pursue a variety of individualized learning opportunities, as follows:
- (1) The district shall establish a process to approve individualized student learning opportunities that meet or exceed the NJSLS.
 - (a) Individualized student learning opportunities in all NJSLS areas include, but are not limited to, the following:
 - (i) Independent study;

- (ii) Online learning;
 - (iii) Study abroad programs;
 - (iv) Student exchange programs; and

 - (iv) Be on file in the school district and subject to review by the Commissioner of Education or designee.
- (c) Group programs based upon specific instructional objectives aimed at meeting or exceeding the NJSLs shall be permitted and shall be approved in the same manner as other approved courses.
- (2) The district shall establish a process for granting of credits through successful completion of assessments that verify student achievement in meeting or exceeding the NJSLs at the high school level, including standards achieved by means of the individualized student learning opportunities enumerated at N.J.A.C. 6A:8-5.1(a)2 and A.1.b above. Such programs or assessments may occur all or in part prior to a student's high school enrollment; no such locally administered assessments shall preclude or exempt student participation in applicable Statewide assessments at grades three through twelve.

- (a) The district shall choose assessments that are aligned with or exceed the NJSLs and may include locally designed assessments.

9163 SPECTATOR CODE OF CONDUCT FOR INTERSCHOLASTIC EVENTS

The Board of Education promotes a physically and emotionally safe and healthy playing environment at interscholastic events and insists good sportsmanship be exhibited at all times by student athletes, coaches, officials, and spectators at such events.

The New Jersey State Interscholastic Athletic Association (NJSIAA) requires the Board to establish policies and procedures relating to sportsmanship and to identify responsibilities of administrators, coaches, and students to ensure their observance. The NJSIAA requires the Board to adopt a Spectator Code of Conduct Policy for all spectators attending an interscholastic event.

The district's high school(s) is a member school of the NJSIAA. The NJSIAA and the Board require high standards of courtesy, fair play, and sportsmanship be featured at school district and NJSIAA interscholastic events. Unsportsmanlike conduct by a person at an event shall subject the individual to disciplinary action.

For the purpose of this Policy, a "home event" shall mean any event occurring in the school district's buildings or on school grounds.

For the purpose of this Policy, "school grounds" also includes other recreational places owned by local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of the land.

1. Unsportsmanlike conduct includes, but is not limited to, actions of a fan or spectator who:
 - a. Strikes or physically abuses an official, opposing coach, player, spectator, school staff member, or school security;
 - b. Intentionally incites participants or spectators to violent or abusive action;
