6. Candidate interviews – Vacant Board Member Position
 - Candidate #1 – Mrs. Dianne Roman
Mrs. Roman provided an opening statement by providing condolences on the passing of Mr. Massopust. Mrs. Roman previously served on the board from 2011-2014. She previously served as chair of the curriculum committee and has 20 years of public experience that she brings to the table. She has a daughter who is a sophomore at the high school and is enrolled in the Health Science Academy.
 - The Board then asked questions:
 1. Where do you think your strengths and weaknesses fit in with the current board?
 - Mrs. Roman values education and she is driven. She is a team player and thinks about the bigger picture. She has the ability to understand the moving parts and is committed. Her weakness is that she is very impatient.
 2. Recently there has been legislation regarding incorporating LGBTQ teaching into the curriculum from 5th grade to high school for the school year 2020/2021. What are your views regarding an LGBTQ curriculum?
 - We live in an ever-changing world and we need to empower the students to understand everyone’s differences and to create better citizens. It’s an opportunity to empower young people.
 3. In your opinion, what is the best thing the district has done within the past year, one thing you would improve and what is one thing you would eliminate or completely change?
 - It’s exciting to see a 16 year old learn how to take blood pressure and look forward to becoming an EMT. More career driven academies. Our job is to evaluate certain roles of the board and administration. Be open minded – make assessments and evaluations and be guided by what’s

6. Candidate interviews – Vacant Board Member Position (continued):

- in district. It's unfair to change without being able to evaluate the programs.
4. Based upon the current pandemic situation and what is going on within the city, how would you lend your talents to help in this situation?
- Prior to the closing of schools, Mrs. Roman met with the food service department to help coordinate the meal distribution program. She is the current liaison between the city and the food banks and she helps families navigate the social service programs available from Middlesex County.
5. The Perth Amboy Board of Education is comprised of nine members, who work collectively to serve the students, faculty and staff of this district. Can you share one professional or personal experience where you had to work as a team to reach a goal where you may have differed in opinion from the group and what was the outcome?
- As a former Board of Education member, there were many times when she differed in her opinion. She represents the most vulnerable of our city. There were many times when she put something forth that wasn't accepted or looked upon. But you move on, it's the way that you deliver the difference of opinion to prove your point.

Mrs. Roman closed by thanking the board for the opportunity this evening. I am happy with the designation of a District of Distinction, by the state and nationally. When her last term ended, her world did not cease. She's vested and believes in public education. Scholars breathe life into our buildings, but it takes a team to make it work. I feel for the graduating seniors, there are many challenges to be made by the Board of Education in the near future. I stand prepared to work along-side you to get it done.

Candidate #2 – Mr. Ronald L. Anderson

Mr. Anderson provided an opening statement, saying that this opportunity is the next evolution in his 46.5 year career in education. I would like to compliment the board on the good work that you've been doing. I believe that I have something to offer. I'm a successful product of the Perth Amboy Public Schools as are my children. I spent 27 years teaching math and 19.5 years as an administrator. I've been a vice-principal at every level from K-12. I'm at the point where I want to contribute to my community and continue the work that I've done. Becoming a board member is how I can do that.

The Board then asked questions:

1. Where do you think your strengths and weaknesses fit in with the current board?
- Strengths I bring to the table are experience in all areas of education. Weaknesses are that I'm not familiar with the operations of the board. I am familiar with some of the operations such as curriculum approval, hiring of personnel and use of facilities through buildings and grounds.

6. Candidate interviews – Vacant Board Member Position (continued):

2. Do you have any family members who work for the school district?
 - o No.
3. Recently there has been legislation regarding incorporating LGBTQ teaching into the curriculum from 5th grade to high school for the school year 2020/2021. What are your views regarding an LGBTQ curriculum?
 - o Inclusion at every level – it's part of an inclusive environment and students have to work with everyone. They need to be well aware of all the backgrounds and diversity that they'll be working with.
4. In your opinion, what is the best thing the district has done within the past year, one thing you would improve and what is one thing you would eliminate or completely change?
 - o Strengthening the writing and reading for our kids. Weakness – when the NJASK was last tested, we did well in math, but now we're rested on our laurels in Math and it's suffered as shown on our state scores. We should continue the reading and writing but bolster math at the same time. No deficit in ethnicity because minorities do well on the AP tests across the nation.
5. Based upon the current pandemic situation and what is going on within the city, how would you lend your talents to help in this situation?
 - o Improve our distance learning, find ways to provide materials to kids so that they're prepared. He has worked with the city through the fire department and OEM office. Improvement of services, get the testing out there for virus detection and anti-bodies. Work with health organizations within the city.
6. The Perth Amboy Board of Education is comprised of nine members, who work collectively to serve the students, faculty and staff of this district. Can you share one professional or personal experience where you had to work as a team to reach a goal where you may have differed in opinion from the group and what was the outcome?
 - o Lucy Caulkins – I was apprehensive at first but after attending the training at Columbia, seeing what it was about and working with my colleagues, I became vested and believe in the program.

Mr. Anderson closed by saying he supports the objectives and goals of the superintendent. Move the district forward and when the students do better, the community does better. I would bring my knowledge to the table.

7. **WHEREAS**, pursuant to N.J.S.A. 10:4-12 (b), the Board of Education may exclude the public from that portion of a public meeting wherein the board discusses any of the matters set forth at N.J.S.A. 10:4-12 (b) (1)-(9);

Public Member #1 – it was stated that 154,000 meals have been served, we'd like to give a shout-out to all those people who are working in our district – food service workers, security guards, custodians, tech specialists. We would like to request that the food service workers have better equipment to protect themselves because a number have contracted COVID-19. We're asking for better gloves, masks and shields.

Public Member #2 – Thanked Mr. Kolibas for putting the board member together from a technology standpoint since it's not an easy task to do. It is too late in the evening to hear public comments, especially since it's a remote meeting. Can you provide more information about what will happen in September? I'm a teacher and you need to communicate better to the public and be respectful to them.

Public Member #3 – Stated that staff members are concerned about not receiving their pay stubs.

Public Member #4 – Congratulated the superintendent on achieving his merit goal and asked what the goals are as the public should be made aware of what was achieved and the amount of money that he'll get.

Public Member #5 – the past eight weeks have been stressful for everyone and parents are overwhelmed. Many parents have two or more children. Multiple parents have reached out to the AFT and teachers because of the amount of work that is being given to their children. The administration is helping

Congratulations on your retirement. The Board of Trustees, at their regular meeting on February 6, 2020, approved your application for **Service Retirement effective February 1, 2020**. (In accordance with your selection of the MAXIMUM retirement option which provides no survivor's benefit).

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. Also, your first check cannot be mailed until after this thirty day period. However, the benefit will be retroactive to the original effective date of your retirement. Please allow an additional period for the disbursement and delivery of the check by the federal postal authorities.

If you are considering working after retirement, you should be aware of the restrictions imposed by law and regulations governing post-retirement employments. It is your responsibility to inform your prospective employer that you are receiving retirement benefits from a New Jersey public retirement system, and to understand the impact employment will have on those retirement benefits. In some instances, your retirement benefits may be suspended or even cancelled entirely, and if this occurs, you will be responsible for the repayment of any benefits you were not entitled to receive. You may also be required to re-enroll in your former retirement system or a different retirement system, and make pension contributions to that system.
