B. Board President's Report – Mr. Kenneth Puccio

- Mr. Puccio stated that board members are volunteers who do not get paid for their work on the board. We do this because it comes from the heart. We're all here for the right reasons. We hear the concerns of the community and staff. Several years ago we had low test scores, poor graduation rates and we were looking for a new high school. Now we have the Dual Language School, which is at the forefront of the state. We tip our hats to central administration and to the board. The new high school has become a reality. Seaman Avenue is currently being built. All positive things here didn't happen overnight. People who sit here are responsible along with central administration and our staff. He thanked his fellow board members.
- Mr. Puccio provided condolences for those staff members who lost family members during the past month.

14. Reports

C. Superintendent's Report – Dr. David A. Roman

- The district has done a lot of wonderful things during the past few years, because of the board and their dedication and also because of central administration. We may not always agree, but there is civility in our discussions and that's thanks to the board.
- Ms. Michelle Velez was acknowledged. She will be leaving the district to pursue other endeavors. She was thanked for her service to the school, to the students, to the parents and to the community. Dr. Medina will be the acting principal until a replacement is found.
- We're ready to open schools with the completion of our current construction projects and there are a lot of other initiatives which will continue.
- In grades 10 – 12 we're going to be rolling out a one to one technology initiative for all our students. They'll have technology; it will continue to build equity.
- At our administrative retreat, board retreat and new staff orientation we'll talk about what technology looks like, fiscally and educationally. We're looking forward to working with everyone this year. We welcome back all our students and it's only just begun.

- Mr. Iglesia mentioned that there are 40 resignations and 10 retirements on this agenda and he asked what we're doing about it.
- Mr. Rodriguez stated that the majority of resignations is because they are either part-time and they have found a full time job someplace else; they are moving out of state or they got another job with a higher salary. Exit polls are conducted and we utilize that data to try to make ourselves better.
- Ms. Vazquez acknowledged central administration and human resources for the hiring of the LDTC's and school psychologists.

Subject: Notice of Retirement Approval

Congratulations on your retirement. The Board of Trustees, at their regular meeting on June 7, 2018, approved your application for **Early-55+ Retirement effective June 1, 2018**. (In accordance with your selection of the maximum retirement option which provides no survivor's benefit).

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. Also, your first check cannot be mailed until after this thirty day period. However, the benefit will be retroactive to the original effective date of your retirement. Please allow an additional period for the disbursement and delivery of the check by the federal postal authorities.

If you are considering working after retirement, you should be aware of the restrictions imposed by law and regulations governing post-retirement employments. It is your responsibility to inform your prospective employer that you are receiving retirement benefits from a New Jersey public retirement system, and to understand the impact employment will have on those retirement benefits. In some instances, your retirement benefits may be suspended or even cancelled entirely, and if this occurs, you will be responsible for the repayment of any benefits you were not entitled to receive. You may also be required to re-enroll in your former retirement system or a different retirement system, and make pension contributions to that system. Please read Fact Sheet #86 regarding Post-Retirement Employment Restrictions located on the Division of Pensions and Benefits' website:

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. TIFFANY MARIE PRIME

RE: **TPAF** #476525

Dear Tiffany Marie Prime:

The Board of Trustees of the Teachers' Pension and Annuity Fund (TPAF) at its meeting of June 7, 2018 considered and approved your application for **Ordinary Disability retirement benefits effective January 1, 2018** under Option A pursuant to N.J.S.A. 18A:66-39 and relevant case law.

Changes to your application should be made through MBOS; however, if you are unable to make the change through MBOS, you must provide a written statement to the Retirement Bureau within 30 days from the date of board approval or the date of retirement, whichever is later.

Once the Board approves a member for a disability retirement allowance; the member's retirement application shall not be withdrawn, cancelled, or amended to a later retirement date than the date specified in the approved retirement allowance.

If a member continues to receive a salary beyond the effective date of retirement, no retirement benefits shall be paid for the period where the member received salary and no salary or service credit shall be provided for the service rendered after the approved effective date of retirement. In addition, the employer shall be required to complete an updated Certification of Service and Final Salary.

The statute permits the Board of Trustees to require a disability retiree to undergo medical examinations to determine if they continue to be totally and permanently disabled and therefore eligible for continued receipt of a disability retirement allowance.

If in the future you consider returning to a position either in private industry or public employment, be advised that your retirement allowance as a disability retiree is subject to adjustment if your earnings from employment after retirement exceed the difference between the pension portion of your retirement allowance and the salary attributable to your former position.

Pension laws require reenrollment of a retiree under certain conditions. Retirees needing guidance on returning to employment should visit our web site at: www.nj.gov/treasury/pensions and refer to the Fact Sheet on post-retirement employment restrictions. Retirees needing additional clarification should contact the Division to determine the impact a return to employment would have on their disability retirement benefits.

Donor Agreement# SBYSP – 19AFMP

PUBLIC DONOR AGREEMENT

AGREEMENT between The Jewish Renaissance Foundation (the "Provider Agency") and The Perth Amboy Board of Education (the "Donor").

WHEREAS the New Jersey Department of Children and Families (the "Department") has been duly designated to administer or supervise the administration of social service programs, as defined in the New Jersey State plans for social services; and

WHEREAS, the Department desires that the Provider Agency deliver services and the Provider Agency has agreed to deliver services; and

WHEREAS, the Department's policies establish that resources donated by a public donor in the form of cash or In-Kind Contributions (as defined below) may, under certain conditions, be used as match in the provision of social services; and

WHEREAS, the Donor wishes to make a donation to support social services;

THEREFORE, the Provider Agency and the Donor agree to the following terms and conditions:

1. Definitions - For the purposes of this document, the following terms, when capitalized, shall have meanings as stated:
 - A. Donated Resources means the total donation made by the Donor as match. Donated Resources may include cash donations and/or In-Kind Contributions.
 - B. In-Kind Contributions means property or services (except the services of volunteers) which benefit the contract program and which are contributed by a public entity without charge to the Provider Agency. Included as In-Kind Contributions are public contributions formerly designated as CCE (Certified Cash Expenditures). All In-Kind Contributions under this agreement are listed as Attachment A to this agreement.
2. Term This agreement shall begin on July 1, 2018 (date), and shall terminate on June 30, 2019 (date), barring any outstanding obligations of either party.
3. Donated Resources - The Donor agrees to provide Donated Resources in an amount totaling \$ \$99,620.00 to the Provider Agency.
4. Provision of Donated Resource - During the term of this agreement, Donated Resources shall be contributed by the Donor to the Provider Agency as follows:

Payment (s)	Date Due	Cash	In-Kind*	Total
	7/1/18		\$99,620.00	\$99,620.00
	TOTAL		\$99,620.00	\$99,620.00

* See Attachment A for In-Kind Contributions.

5. Administrative Control of Donated Resources - Except for the allowable Donor restrictions contained in paragraph 6 of this agreement, all Donated Resources contributed in cash to the Provider Agency under this agreement are donated on an unrestricted basis. This is to ensure that Donated Resources are under the administrative control of the Provider Agency. The Donor understands that if any portion of the donation is made as In-Kind Contributions, Attachment A to this agreement will be submitted with the agreement to vouch for the validity of these costs.

6. Donor's Restrictions - The Donor restricts the use of Donated Resources as follows Type

of Service: Facilities/Supplies for four (4) sites:

Site #1: Main Campus, 300 Eagle Ave., Perth Amboy, NJ - \$63,120

SBYSP Suite 540 sq. ft

SBYSP Back Office 340 sq. ft.

Site #2: East Campus, 680 Catherine St., Perth Amboy, NJ - \$11,500

Site #3: South Campus, 351 Mechanic St., Perth Amboy, NJ - \$12,000

Site #4: Personalize Learning Program (PLP), 178 Barracks Street, Perth Amboy, NJ - \$13,000

Service Contract Title:

Service Contract#: SBYSP-19AFMP

7. Provider Agency's Obligations - In consideration of the resources donated, the provider Agency agrees to use the Donated Resources in accordance with the restrictions contained in paragraph 6 of this agreement. The Provider Agency represents that the opportunity to honor the Donor's restrictions in the provisions of social services is available.

It is understood that the provision of services is subject to federal and State laws and administrative regulations and that services will be provided in a manner necessary to ensure compliance.

Upon request from the Donor, the Provider Agency shall make available to the Donor the annex(es) to the service contract specified in paragraph 6 of this agreement. In addition, upon request from the Donor, the Provider Agency shall make available to the Donor its reports to the State agency covering levels of service and program expenditures under the service contract. The Provider Agency shall not release confidential materials or information concerning persons served under the service contract.

8. Donor's Obligation - It is the Donor's obligation to provide the Donated Resources in the amount(s) and as scheduled in paragraph 4 of this agreement. The Donor understands that failure to meet the payment schedule in paragraph 4 of this agreement may result in the Provider Agency being unable to claim sufficient reimbursement to fund its social service program.

The Donor's obligation to provide the Donated Resources as specified in paragraph 4 of this agreement shall not be contingent upon the Donor's ability to produce sufficient In-Kind Contributions. The Donor agrees that if sufficient In-Kind Contributions are not available to meet its obligation to the Provider Agency, the balance of the donation will be paid in cash before this agreement terminates.

In cases in which In-Kind Contributions are made, the Donor agrees to submit to the Provider Agency monthly written reports attesting to the value of the In-Kind Contributions as they are applied to the social service program. The Donor understands that this report is required by the State agency as documentation of program expenses.

9. Donor's Representations - The Donor represents that the Donated Resources are not currently being used to match expenditures in another program.

In cases in which In-Kind Contributions are made, the Donor also represents that the value of the In-Kind Contributions listed in Attachment A to this agreement fairly represents their value to the social service program.

10. Indemnification - The Donor indemnifies and holds the Provider Agency harmless for any loss or disallowance of reimbursement that the Provider Agency may suffer due to the inaccuracy of any statement made in this agreement by the Donor.

11. Audit - The Donor agrees to cooperate in any audit of the source of the Donated Resources. An audit may be conducted by or on behalf of the Provider Agency, the Department, or the federal government.

The Donor understands that such an audit may include the sources of cash and/or In-Kind Contributions. The Donor further understands that it is responsible for maintaining sufficient documentation to support each kind of donation.

12. Entire Agreement - This document contains all the terms and conditions agreed to by the Provider Agency and the Donor. Any amendment or modification of this agreement must be approved by the Department.
