- Mr. Rodriguez announced his resignation from the board. He provided thanks to the city for allowing him to serve as a board member. He thanked the board members for their help and support. He thanked Mr. Puccio for his leadership. He thanked Mr. Jess for all the help he provided him with and for answering all the questions he had and for providing any information that he needed. He thanked Ms. Tejeda for her mentoring and her support. He learned how bad it was when he got here, but everyone worked very hard to move the school district forward and he knows we're headed in the right direction. He also thanked Mrs. Gonzalez and Mr. Lebreault and the AFT as they will make us the best district in the state.
- Ms. Tejeda stated it was an honor to run with Mr. Rodriguez on the same ticket. She got to know him over the years and she feels proud that he was part of their team. He's honest and dedicated and he did good things for the board.
- Ms. Vazquez welcomed everyone back and thanked the teachers for choosing the profession they've chosen and for choosing us to work for because you will shape our future. To the students they are powerful beyond measure and we wish you a successful year. To the parents, education starts at home, so please engage your kids and find out how their day was and help them with their homework. Applaud them when they do well and ask questions when they are not doing well.
- Mr. Iglesia said he heard the first day of school was successful and he thanked everyone for making it so. He wished everyone a successful 2017 – 2018 school year. As an educator we face many challenges, but we will be successful.
- Mr. Puccio stated it takes a special person to be a board of education member. We spend a lot of time and we don't get paid. Mr. Rodriguez was very knowledgeable, dedicated and an outstanding and hardworking board member. His heart and soul were in negotiations. Mr. Puccio thanked him for all the time that he spent with us. We will miss you. We have some of the hardest working employees that I've ever seen and we are all on the same page. It will be a very good school year.
