## How to Download the Perth Amboy Public Schools District App on Your Mobile Device

### For Apple Users:

1. **Find the App Store Icon:** Locate the App Store icon on your apple device's home screen and tap on it to open.

2. **Search for the App:** Once the App Store is open, use the search function (magnifying glass icon) at the bottom of the screen. Type the name of the app, **Perth Amboy Public Schools**, in the search bar and press "Search".

3. **Select the App:** From the search results, select the app to open its details page.
4. **Download the App:** Tap on "Get" to start the download. You may need to authenticate your identity with your Apple ID, Touch ID, or Face ID.

5. **Open the App:** After the download is complete, you can open the app directly from the App Store or find it on your home screen.

6. **Enable Push Notifications:** To stay fully connected, please enable notifications as soon as you launch the app.

### **For Android Users:**

1. **Access Google Play Store:** Open the Google Play Store app on your Android device.  
*Note: Some District Owned Devices may prohibit you from accessing Google Play.*

2. **Search for the App:** Use the search bar at the top of the Google Play Store. Type the name of the app, **Perth Amboy Public Schools**, and tap the search icon.

3. **Choose the App:** From the search results, tap on the app you wish to download to view more details.
4. **Install the App:** Tap on the "Install" button. You may be prompted to agree to permissions the app requires.

5. **Open the App:** Once installed, you can open the app directly from the Google Play Store or find its icon on home screen.

6. **Enable Push Notifications:** To stay fully connected, please enable notifications as soon as you launch the app.
