Mr. Anderson recognized many of the retirees and congratulated them on their retirement and noted the loss of Carolina Benitez.

Mr. Iglesia commented on the 149 staff leaving the district in the last 6 months. Vice President commented the accuracy of the numbers should be verified, and does not want reported information to be misleading if the information is not reflective of the accurate data.

The Superintendent will take this under advisement and report back on what direction Administration will take.

Mr. Anderson stated lateral moves are not resignations, however the Superintendent notified the Board, two individuals were on the agenda resigning from the Saturday morning program, not leaving the District, exemplifying why the numbers need to be portrayed accurately.

Ms. Gonzalez wanted to clarify that many teachers throughout the State of NJ are leaving this profession and she wants to ensure we are not falsely portraying why people are leaving Perth Amboy.

Mr. Iglesia reiterated the importance of collecting information.

Vice President Vazquez stated the Board is aware of what the complaints are and what conditions exist, and the Board is being proactive to make the necessary improvements which can be made.

President Puccio recognizes there are many reasons during this current climate why people leave the workforce and the additional difficulties in finding qualified people to fill empty positions.

From: Bureau of Retirements
Subject: Notice of Retirement Approval

Congratulations on your retirement. The Board of Trustees, at their regular meeting on February 3, 2022, approved your application for **Service Retirement effective January 1, 2022**. (In accordance with your selection of OPTION D).

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. Also, your first check cannot be mailed until after this thirty day period. However, the benefit will be retroactive to the original effective date of your retirement. Please allow an additional period for the disbursement and delivery of the check by the federal postal authorities.

If you are considering working after retirement, you should be aware of the restrictions imposed by law and regulations governing post-retirement employments. It is your responsibility to inform your prospective employer that you are receiving retirement benefits from a New Jersey public retirement system, and to understand the impact employment will have on those retirement benefits. In some instances, your retirement benefits may be suspended or even cancelled entirely, and if this occurs, you will be responsible for the repayment of any benefits you were not entitled to receive. You may also be required to re-enroll in your former retirement system or a different retirement system, and make pension contributions to that system. Please read Fact Sheet #86 regarding Post-Retirement Employment Restrictions located on the Division of Pensions and Benefits' website:

<http://www.nj.gov/treasury/pensions/documents/factsheets/fact86.pdf>

SANDRA D ROSA

RE: PERS

Dear Sandra D Rosa:

The Board of Trustees of the Public Employees' Retirement System (PERS) at its meeting of January 19, 2022 considered and approved your application for **Ordinary Disability retirement benefits effective August 1, 2021** under Maximum pursuant to N.J.S.A. 43:15A-42 and relevant case law.

Changes to your application should be made through MBOS; however, if you are unable to make the change through MBOS, you must provide a written statement to the Retirement Bureau within 30 days from the date of board approval or the date of retirement, whichever is later.

Once the Board approves a member for a disability retirement allowance; the member's retirement application shall not be withdrawn, cancelled, or amended to a later retirement date than the date specified in the approved retirement allowance.

If a member continues to receive a salary beyond the effective date of retirement, no retirement benefits shall be paid for the period where the member received salary and no salary or service credit shall be provided for the service rendered after the approved effective date of retirement. In addition, the employer shall be required to complete an updated Certification of Service and Final Salary.

The statute permits the Board of Trustees to require a disability retiree to undergo medical examinations to determine if they continue to be totally and permanently disabled and therefore eligible for continued receipt of a disability retirement allowance.

If in the future you consider returning to a position either in private industry or public employment, be advised that your retirement allowance as a disability retiree is subject to adjustment if your earnings from employment after retirement exceed the difference between the pension portion of your retirement allowance and the salary attributable to your former position.

Pension laws require reenrollment of a retiree under certain conditions. Retirees needing guidance on returning to employment should visit our web site at: www.nj.gov/treasury/pensions and refer to the Fact Sheet on post-retirement employment restrictions. Retirees needing additional clarification should contact the Division to determine the impact a return to employment would have on their disability retirement benefits.
