

Congratulations on making a team for the 2020 football season!

Before the season starts, you must complete the following forms:

- [Contact Information Form](#). This is to be treated like an emergency card. In the event of an emergency while participating in an athletic event, the information will be used by PAHS Cheer Coaches. Please provide accurate, complete and true information. All cheerleaders must submit a new one each season.
- [Uniform Agreement Form](#), which is to be treated like a contract for the renting of a PAHS cheerleading uniform for the 2020 football season. This form will allow you to receive a uniform when the time comes and the guidelines you must follow to keep that uniform. Please understand if you make any alterations to the uniform you will be charged for the replacement fee.
- **These forms must be submitted by June 25, 2020.**

All cheerleaders are encouraged to purchase sneakers, a warm-up, and practice gear. Sneakers and warm-ups are a one-time purchase and are yours to keep. You only need to repurchase practice gear each year since that changes. The links and prices for the items will be sent out on our [BAND app](#) at a later date.

All cheerleaders are encouraged to attend Pine Forest Cheer Camp. This is a 4-day camp and we will be going from August 24-28. The fee is \$290 per cheerleader. If you attend camp, you MUST purchase the practice gear.

We have a tentative start date for mandatory practice that will begin August 17, 2020! It is important that you check the [BAND app](#) regularly for updates on our season!

All cheerleaders must join the BAND App! This app will allow you to receive important information throughout the season.
